- Ability to collaborate effectively in a team environment
- Strong problem-solving and troubleshooting skills

About Me

As a junior front-end developer, I possess a strong foundation in HTML, CSS, JavaScript, and React. Although lacking professional experience, I am passionate about creating engaging and user-friendly web applications, and I am eager to contribute to a dynamic development team.

A highly motivated and enthusiastic Junior Front End Developer seeking to contribute my technical skills and passion for web development to a dynamic team. Committed to delivering exceptional user experiences through innovative and responsive designs.

Education

Mayfair Academy

2007 - 2010

Really Great Primary School

Center Point Academy

2010 - 2021

Really Great High School

Work Experience

Although I currently have no formal work experience, I am highly motivated and eager to contribute my skills and dedication to a professional setting. I possess a strong academic background and have actively engaged in group projects, honing my communication, teamwork, and time management abilities. Additionally, I have participated in extracurricular activities and volunteered for community events, developing my leadership and interpersonal skills. I have also pursued personal projects and continuously updated my knowledge through online courses and workshops. With a strong work ethic and a willingness to learn, I am confident in my ability to quickly adapt and make a positive impact in a professional environment.
